

SUPPLIES FOR GRADES 7 & 8

Grade 7 & 8 - All classes

General Supplies - Pens, pencils, loose-leaf paper. Each student will receive a School Agenda the first week of school. The agendas will help organize the students. A fee will be charged to replace the agenda.

Suggestion: It has been helpful for many students to color-coordinate the notebook and folder for a particular subject. (Ex: red notebook with red folder for Math, blue for English, etc.)

Lockers: The dimensions of the lockers are: **Width – 12” Depth - 10 ½”**. Some students have found it helpful to have stacking locker organizers.

Backpacks: Many types of backpacks do NOT fit in the lockers. Please look for one with a flexible bottom that can be bent or folded enough to fit inside the locker.
